SPRING BULBS

My bulb grower is a little bit behind and needs your help in getting the last of his crop moved out. We have 3 bloom hyacinths in a 6" pot which come in pink, white and blue. They smell amazing! Pssst. Works great as deodorizer in the bathroom!!

OUR CHEDDAR SAUSAGES

Next to our Italian sausages, this sausage is a favourite in my home. It's a mild sausage, and in it we add extra old cheddar to get the maximum flavour. You'll love them too!

CLUSTER TOMATOES

From Ontario.

Our local grower does such an amazing job with these tomatoes. The way they are placed and packed in their open display boxes is a work of art. When he ships these to me the delicious aroma fills my truck.

RED PRINCE APPLES

From Ontario.

This apple is picked in the fall, but goes into cold storage for a few months which gives flavour of the apple a chance to mellow out. It has a beautiful rich red colour, a crisp flesh, and it's very sweet
