**RED HAVEN
PEACHES**

From Ontario.

Our first freestone Red Haven peaches have arrived! What they lack in size with this summer's hot dry weather is more that made up in their favour. The natural sugars are so high they eat like candy you are sure to love them!

**LOCAL FIELD
PEPPERS**

From Ontario.

Our local field pepper grower is back, and it couldn't happen at a better time. The extreme hot weather has taken a toll on our green house growers, creating a gap in production. The peppers have nice thick walls and a huge size.
