**WHAT'S HAPPENING OUTSIDE?**

This is an exciting time of year. Hopefully we can give winter the boot, and now we can concentrate on better days ahead as we get our greenhouse under construction and filled with flowers. We have a few pansies coming in this week, and who knows we could surprise you with some other items.

**OUR BARESE SAUSAGES**  
**5.99**  
 LB

This sausage has a different look compared to the many others we make in that they are made with a thinner casing. It can consist of pork, lamb or a combination of the two. A great way to cook these is by putting a splash of white wine in the pan and let the sausage soak it up. A glass of Chardonnay on the side is always good to have on hand!
