SWEET ONTARIO
NECTARINES

We got the first Ontario nectarines in late last week. The colour is a full red, the flesh are nice and juicy and they eat so good. Be sure to pick them up this week!

ONTARIO MINI
CUCUMBERS

What started as a trial of these guys a few years ago has now become a staple in our produce department. These little guys are packed in 5 or 6, depending on the size and they make for great guilt free snacking.

OUR OKTOBERFEST SAUSAGES

This is actually our Bratwurst sausage in disguise. We finish this with not water but instead beer... which it is best enjoyed with!

VIDALIA
ONIONS

We are now in the closing days or weeks to enjoy these for this year. This onion has been experimented in other areas, including here in Ontario but it seems the soil and intense heat in Georgia is the secret to making them so good.
